Re: Classic Communications, Inc.
Request for Waiver of Application Fees
Fee Control No. 0304258994892735

Dear Mr. James:

This is in response to your letter dated May 8, 2003 submitted on behalf of Classic Communications, Inc. (Classic) and its subsidiaries¹ requesting waivers and refunds of the application fees in the total amount of \$1,730.00 in connection with the *pro forma* assignment of wireless licenses. Our records reflect that you have paid the application fees at issue here.

You state that Classic and its subsidiaries filed voluntary petitions for bankruptcy under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (Bankruptcy Court) on November 13, 2001. You submit a copy of the "Notice of Commencement of Chapter 11 Bankruptcy Cases, Meeting of Creditors and Fixing of Certain Dates" issued by the Bankruptcy Court on December 13, 2001, which reflects that Classic and its subsidiaries filed for bankruptcy on November 13, 2001. You state that on December 12, 2001, *pro forma* transfer of control applications were filed with the Commission for authority to transfer control of the licensees from Classic to Classic Communications, Inc., Debtor-in-Possession. You state that after the Commission granted those applications, Commission staff determined that those transfer of control applications should have been filed and granted as *pro forma* assignment applications. You state that the *pro forma* applications at issue here, with the required filing fees, "were filed [on April 24 and April 25, 2003] to replace the original wireless applications filed in 2001 and to request approval of the *pro forma* assignments (rather than transfers of control) so that the licenses would be issued with the 'debtor-in-possession' designation."

¹ You identify those subsidiaries as Classic Cable, Inc., Friendship Cable of Arkansas, Inc., Friendship Cable of Texas, Inc., Universal Cable Midwest, Inc., Universal Cable of Beaver, Oklahoma, Inc., Universal Cable Communications, Inc., Universal Cable Holdings, Inc., Correctional Cable TV, Inc., Callcom24, Inc., Classic Cable of Oklahoma, Inc., Classic Telephone, Inc., WT Acquisition Corporation, WK Communications, Inc., Television Enterprises, Inc., and Classic Cable Holding, Inc.

Section 1.1117 of the Commission's rules, 47 C.F.R. §1.1117, provides that filing fees may be waived upon a showing of good cause and a finding that the public interest will be served thereby. *See Establishment of a Fee Collection Program to Implement the Provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985*, 5 FCC Rcd 3558, 3572-73 (1990). Section 1.1117(e) of the rules, 47 C.F.R. §1.1117(e), requires an applicant seeking a waiver of the filing fee requirement to include the applicable fee with its waiver request, and also provides that the fee will be returned if the waiver is granted. *See also id.*

We find that the bankruptcy filings involving Classic and its subsidiaries substantiate their claim of financial hardship and demonstrate good cause for waiver of the filing fees. *See MobileMedia Corporation*, 14 FCC Rcd 8017, 8027 (1999) (bankruptcy establishes good cause for waiver of filing fee). Moreover, waiver of the filing fees will serve the public interest by protecting the interests of innocent creditors. Therefore, your request for a waiver and refund of the application filing fees in connection with Classic's and its subsidiaries' *pro forma* assignment applications is granted.

A check made payable to the maker of the original checks, and drawn in the amount of \$1,730.00, will be sent to you at the earliest practicable time. If you have any questions concerning this letter, please contact the Revenue and Receivables Operations Group at (202) 418-1995.

Sincerely,

On December 12, 2001 *pro forma* transfer of control applications were filed with the FCC for authority to transfer control of the licensees from Classic Communications, Inc. to Classic Communications, Inc., Debtor-in-Possession. Those applications were subsequently granted by the Commission.

However, upon further review, FCC staff in the Wireless Telecommunications Bureau has determined that those original transfer of control applications for the wireless licenses should have been filed and granted as *pro forma* assignment applications (rather than transfer of control applications) so that each wireless license held by subsidiaries of Classic would show the licensee as debtor-in-possession, thereby reflecting the fact that the individual subsidiaries of Classic were included in the bankruptcy at that time.

In accordance with discussion with the staff of the Wireless Bureau, on April 24 and April 25, 2003 the *pro forma* applications, with the required filing fees, were filed to replace the original wireless applications filed in 2001 and to request approval of the *pro forma* assignments (rather than transfers of control) so that the licenses would be issued with the "debtor-in-possession" designation.

At this time, Classic requests a waiver of the filing fee requirements and a refund of these fees in view of the fact that these applications were identical to the filing on December 12, 2001, except that they specify "assignment" rather than "transfer of control". The total refund requested is \$1,730.00 (see breakdown below). We have enclosed a copy of the FCC Form 159 submitted with each application.

<u>FCC File Number</u>	<u>Filing Fee Submitted</u>

0001287084	\$ 100.00 *

0001287105	<u>\$1,080.00 *</u>
TOTAL	\$1,730.00

Please let me know if you have any questions or need any additional information in order to process this request.

Sincerely,

Robert L. James
